FORMAT FOR APTITUDE TEST FOR ADMISSION TO
M.A. (HISTORY OF ART) SEMESTER – I, SESSION 2023-24.

1.   Written Test of One Hour Duration – 25 Marks
2.   Interview – 15 marks

The written test will be of the following type:

1. Four images of art objects will be shown to the applicants who would be required to give their response to those objects of art in writing. All the candidates will be shown the same images of art objects at an interval of 15 minutes each. After the written test is over, the answer scripts will be collected by the office and fictitious Roll Nos. will be assigned to each. After the evaluation is over, the marks given by each examiner will be computed to arrive at the final agreed score obtained by each candidate after which the office in charge will open the seal of the answer scripts and enter the original Roll Nos.

2. The interview test will be conducted on the same day and communicated to the candidates present for the Written Test on 21.07.2023. Each candidate will be called in and examined by the members of the Board. The marks obtained by the candidates in the interview test will be added to the marks obtained in the written test and thus, the final score of each candidate will be obtained. A candidate who scores at least 18 marks out of the maximum marks 40 in the qualifying test (i.e. 45% of the total allotted marks) will qualify for being considered for admission. Those who score less than this, will not be eligible for admission to M.A. Semester -I (History of Art).

3. The score of the qualifying aptitude test will then be added to the respective academic weightage and the other permissible weightages as per the admission guidelines. The grand total thus, arrived at, will determine the position of the applicant concerned in the merit.

4. The merit list of the candidates will be prepared strictly according to the general guidelines of the Panjab University.
